Dear Sir

### **APPLICATION FOR THE JOB OF A CADET OFFICER**

I am Egbugha Chidiebere Malachi. A graduate of electronics and computer technology as revealed in my attached curriculum vitae. With all diligence and sincerity, I wish to apply for the job of a cadet officer.

I am a well-qualified electronic and computer technologist with potential to grow with a job, handle responsibility and build positive relationships with work colleagues at all levels. I am confident that I can bring a level of high performance to this respected organisation.

Beyond that mentioned in my attached resume, I am a certified project manager who knows how to set goals and achieve them. I have a proven track record of being able to manage projects, conceive, develop and execute strategies. I feel certain that my skills and ability of team building will be of immediate value to this organisation.

I hope that you will look favorably upon my application.

Thanks in anticipation of your favorable response

Yours Sincerely

Malachi Chidiebere Egbugha
